GENERAL RULES AND REGULATION GOVERNING CONDUCT OF ONLINE AUCTIONS

1. INTRODUCTION

This Online Forward Auction is being conducted by THE BISRA STONE LIME CO. LTD. on the Auction Platform **https://srm.vizagsteel.com**.

The General Rules and Regulations provided herein govern the conduct of Online Forward Auctions. These rules cover the roles and responsibilities of the parties in the online Forward Auctions on the Auction Platform.

Acceptance in-toto to these General Rules and Regulations governing conduct of online auctions is a pre-requisite for securing participation in the online auctions.

The key terms pertaining to the online Forward Auctions are provided in the "Annexure-A". Prospective bidders are advised to read through the same.

2. ROLE OF BSLC

a. Input of the Auction items and defining the bidding rule in the auction engine.

b. Finalization of the auction items.

c. Defining of bidding rules for each auction.

d. Enhancing bidder awareness of and comfort with the auction mechanism and bidding rules.

e. Enlarging the bidder base by introducing new bidders.

f. Collection of Pre-Bid Security Deposit, Letter of Interest etc. from the willing bidders.

g. Providing access to the eligible bidders to participate in the Auction.

3. ROLE OF BIDDER

The role of the bidder is outlined below:

a. The bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction.

b. The bidder would be provided access to the Auction through a "User ID" protected by a "Password". The bidder needs to ensure that the "User ID" and "Password" is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them to keep their confidentiality. However it would be bidder's sole responsibility to ensure the security and privacy of the same and he/they would not hold

the BSLC responsible in any manner whatsoever for any misuse of these user IDs and/or Password.

c. Access to the auction mechanism shall be provided to all the eligible bidders subsequent to obtaining their written consent to the General Rules & Regulations and the Letter of Interest. Payment of Pre-Bid EMD as decided by the BSLC before the start of the Forward auction will be one of the necessary conditions for participating in the auction.

d. Bidders hereby confirm that they shall commit to lift the item (being bid for) at the price entered by them in the auction engine if the bid is approved by the BSLC. All Prices entered shall be legally binding on the bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honour the bids placed during online bidding shall render the bidders liable for penal action as deemed fit by BSLC.

e. In the event of winning an allotment in the auction mechanism, the bidder shall commit to fulfil outlined obligations under the contract, provided the same is approved by the BSLC, in writing.

f. The bidders shall bid on the terms specified by the BSLC& place their bids in the auction engine in the manner specified. The bidders shall not stipulate any conditions on their own unless the terms of the BSLC expressly permit such conditions being stipulated by the bidder. Bids entered with conditions attached shall be considered Conditional bids & BSLC retains the right of rejecting these bids even without intimating.

4. BIDDING RULES

The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the bidding rules is to provide eligible bidders with the information and terms specific to the auction in which they are bidding. This would include:

i. Definition of the bidding unit

ii. Start Time and duration of the auction

iii. Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration

iv. Start Bid Price

v. Specified Unit for Bidding

vi. Price Increments and any reduction in the price increment in the auction in the event of inactivity

vii. Other attributes (informational/non-negotiable in nature)

While it shall be the endeavour of BSLC to specify these rules at the earliest for each online auction, the BSLC shall retain the right to delay the announcement of these bidding rules or modify rules specified earlier at the time of the online bidding. These details would be available to the bidders on the Auction Engine at the time of bidding. Participation in the auction process presumes complete awareness and understanding of the bidding rules.

5. CONDUCT OF THE AUCTION:

Only those bidders who have been approved by the BSLC will be given "Login ID" and "PASSWORD" to enable them view and participate in online auction.

The Auction shall be conducted on pre-specified date.

The key terms pertaining to the conduct of Auction such as "START TIME", "DURATION", "END TIME" AND "AUTO EXTENSION FACILITY" Shall be specified separately for each auction.

BSLC retains the right to cancel or reschedule the auction on any of the following reasons:

i. The number of confirmed bidders is deemed insufficient to conduct the auction.

ii. Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.

iii. There are no bids which are equal to or above Start Bid Price.

iv. Any other reason which in the opinion of BSLC requires such action to be initiated.

The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by BSLC.

Or

In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process.

Or

Due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, BSLC shall have the right to undertake one or more of the following steps:

i. Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date

ii. Cancellation of a bid

iii. Locking / deactivate a bidder's account (suspension of operations in the account), etc.

6. RIGHT OF THE BSLC

The BSLC reserves the right to partially or totally accept or reject any / all bids placed in the Online Auction without assigning any reason whatsoever. The decision of the BSLC would be final and binding on the bidder in any such case.

7. JURISDICTION

Any disputes relating to the online auction module shall be subject to the sole jurisdiction of Rourkela Court only.

ANNEXURE A

DEFINITION OF KEY TERMS

1. ONLINE FORWARD AUCTIONS (OFA)

Online auctions refer to those auctions which are conducted through the Internet with the bidders (from one or more locations) simultaneously bidding for item/s for sale. In other words, the venue for the auction is on an Internet website/ platform.

2. AWARD AT THE AUCTION

In a single winner format, only one bidder (normally the bidder who quotes the highest price) is awarded all the lot/lots of the item being auctioned. The bidder quoting the highest price is normally allotted the item subject to approval by the BSLC.

3. **BIDDER**

Bidder is the individual/business entity participating in the auction, intending to buy the item/s.

4. **START BID PRICE (SBP)**

The SBP sets the starting price of auction for the lot. No one can provide lower bid than SBP. SBP in any case should not be treated as the price at which the BSLC will decide to sell the lot.

5. **AUCTION ENGINE**

Auction Engine refers to the software that encapsulates the entire auction environment, processing logic and information flows.

6. **TIMINGS OF THE ONLINE BID**

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Auction Engine.

Launch, operation, and closure would be guided by the Server Time.

7. **START TIME**

Start time refers to the time of commencement of the conduct of the online auction. It signals the commencement of the Price Discovery process through competitive bidding.

8. **DURATION OF THE AUCTION**

It refers to the length of time the price discovery process is allowed to continue by accepting bids from competing bidders. The duration of the auction would normally be for a pre-specified period of time. However, the bidding rules may state the conditions when the pre-specified duration may be curtailed/ extended. The conditions include:

i. Curtailment of auction duration in the event of no bids for a specified period of time (Inactivity Time)

ii. Automatic extension in the event of bids being entered towards the end of the scheduled duration to facilitate the other bidders to view and react to the bid.

iii. Extension to enable any bidder to bid in the event of Power failure/Connectivity disruption or any other reason for which he is unable to bid and has conveyed to the BSLC about such a situation. However, the period of extension shall be determined solely at the discretion of the BSLC.

iv. Power failure or any connectivity issue/server issue etc.

v. Any other reason of the BSLC to facilitate the smooth auction process.

9. AUTO EXTENSION OF AUCTION TIMINGS

In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall continue until no bids are placed for the specified period (Engine remains inactive for the specified period). BSLC retains the right to change the same. The Inactivity Time applicable for the particular Online Bid shall be visible to the bidders.

10. END OF THE AUCTION

End of the Auction refers to the termination of the auction proceedings signalling an end to the price discovery process.
