**CHAPTER-II**

Tender Notice No.:- OMDC/BIM/25-26/73,

Dated:-06/05/2025

**1) SCOPE OF WORK:**

The selected bidder will have the following scope of work to be executed on turnkeybasis as under:-

- a.** The agency shall make stacks of Iron Ore fines in lots of approximately 4000 MT or above in geometrical shape (rectangular) by loading and shifting of Iron Ore fines within an average radius of 0.5 km from the stocks. The approximate quantity of material to be handled shall be 1,50,000 MT. The tentative quantity of material to be handled shall increase or decrease by OMDC as per requirement.
- b.** The agency should deploy minimum 1 no. excavator, 1 no. loader & 4 nos. tippers of adequate capacity to complete the job. For doing RGSL the Agency should deploy one tractor with auger machine and other ancillary equipment and manpower for sampling purpose. The agency may increase the number of machines as required by the company on demand for production.
- c.** The agency should make stacks in proper geometric shape and doing RGLS to comply the inspection standards of Joint inspection team along-with the Govt. Authority.
- d.** The agency should prepare haul road or other preparatory works required to execute the job.
- e.** Clearing/leveling of stacking ground shall be carried out the agency before preparation of stacks.
- f. Details of the RGSL sampling of Iron Ore Fines :**

The service provider shall do the sampling activity as per operational guideline specified for sampling under rule 10 of the OMPTS amended rule 2021.

Hiring the necessary Auger Drilling and sampling equipment and Digital/IT system for RGSL sampling. Operating & Manufacturing the Auger Drilling and sampling equipment and Digital/IT system to capture the process.

**For Iron Ore Fines:**

- i. Tractor and auger drill (Spiral Diameter:400mm and Spiral length : 3 m long) with required manpower & consumable for sample collection and preparation from the Ore stacks as per operational guideline specified for sampling under rule 10 of the OMPTS amended rule 2021.
- ii. The Agency shall do the sampling activity as per operational guideline specified for sampling under rule 10 of the OMPTS amended rule 2021.
- iii. Fines sample collection from top os stack by pitting (trench) using auger drill.
- iv. Fines sample collection from all sides of stack by sectioning and horizontal trenching using scoop.
- v. The Agency shall collect, mix and pack the sample in 3 (three) no. of bags to pack minimum 3.3 Kg in each bag.

**Procedure for Auger sampling:**

- i) After generation of the trenching location in the App, the points are to be marked on stack with Lime or any colour, by the service provider.
- ii) Then, the Auger drill is to be taken to the top of the stack.
- iii) At the top, drilling is to be carried out at designated points.
- iv) The drill has to penetrate to the bottom of the stack.
- v) After the auger head reaches the bottom of the stack, the auger is to be pulled up vertically by a single stroke without rotation.
- vi) The samples are to be collected from the mineral present on top of the spiral and not from the spill-over heap deposited around the hole.
- vii) The samples are to be mixed with the trench samples collected by sectioning and from the base. All the mixing is to be carried out on a mat to avoid contamination, which is to be provided by the service provider.

Therefore, the total collected samples from each stack are to be reduced by means of coning and quartering and equally distributed and put in non-woven fabric bags carrying a minimum of 3.3 Kg.

**Trenching for Iron Fines:**

the auger drilling technique may be used for fines. The auger drill is required to have a length greater than 3 meters or the height of the stack and a minimum spiral diameter of 400mm. The steps associated with the auger drilling technique for each of the stacks are described below:

**Auger Drilling for Fines Stack:**

- a) After generation of trenching points, the auger drill is to be taken to the top using the ramp.
- b) At the top, the drilling process is to be carried out as per the direction of JMO/AMO of DDM office, Joda.
- c) The samples are to be collected from the mineral present atop the spiral of the drill and not the spillover heap deposited around the trenching hole.
- d) After collection of samples from entire stack, the ore is required for mixing properly under the physical supervision of JMO/AMO, Joda.
- e) The JMO/AMO then activates the bagging process on the mobile app. This leads to the generation of the 3 unique QR codes for the primary, secondary and umpire sample.
- f) The JMO will then oversee the equi-distributed bagging of the samples in non-woven fabric bags of 3.3 Kgs each.

**Equipment Required for Auger Sampling of Iron Ore Fines :**

- i) Tractor with Auger (Spiral length-3m, Spiral diameter-400mm)
- ii) Scoop (As per IS Standard)
- iii) Bag with Tag (Non-woven Fabric bags)
- iv) Bolero Camper

**INTEGRITY PACT**

THIS AGREEMENT is entered into between the following Parties:

THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED (OMDC) hereinafter referred to as **“The Principal”**.

AND

M/s....., hereinafter referred to as **“The Tenderer/Contractor”**

**PREAMBLE**

The Principal intends to award a contract, following its laid down organizational procedures, for carrying out the work of Loading, Shifting & Stacking Of Iron Ore Fines In Geometric Shape (Rectangular) within the average radius of (0.5 Km.) as well as conducting *RGLS* (Random Generation Of Sampling Locations) of the same stacks at bagiaburu iron mines of OMDC at a value of Rs..... Lacs. The principal values full compliance with all relevant laws and regulations and the principles of economical use of resources and of fairness and transparency in its relations with its Tenderer(s) and/or Contractor(s).

In order to achieve these goals, the principal co-operates with the renowned international Non-Governmental Organisation, “Transparency International” (TI). Following TI’s national and international experience, the Principal will appoint an Independent External Monitor (IEM) who will monitor the tender process and the execution of the Contract for compliance with the principles mentioned above.

**IT IS AGREED AS FOLLOWS:**

**1. Definitions:**

- a) **“Principal”** means THE ORISSA MINERALS DEVELOPMENT CO. LTD (**OMDC**) incorporated under the Companies Act, 1956, having their registered Office at Plot No.271, Ground Floor, Bidyut Marg, Shastri Nagar, Unit-IV, Bhubaneswar-751001 and includes their successors.
- b) **“Tenderer/ Bidder”** means the person, firm or company submitting a tender/bid against the Invitation to Tender and include his/its/their staff, consultants, parent and associate and subsidiary companies, agents, consortium and joint venture partners, sub-contractors and suppliers, heirs, executors, administrators, representatives, successors.

- c) **“Contractor”** means the person, firm or Company whose tender has been accepted and shall be deemed to include his/its/their successors, representatives, heirs, executors and administrators unless excluded by the Contractor.
- d) **“Independent External Monitor”** means a person, hereinafter referred to as IEM, appointed, in accordance with Clause 8.a below, to verify compliance with this agreement.

**“Party”** means a signatory to this agreement.

**“Contract”** means the contract entered into between the Principal and Tenderers/Contractors.

- 2. Commitments of the Parties:
- 3. Commitments of the Principal: The Principal commits itself to take all measures necessary to prevent corruption (inducement to violate duty assigned to its employees) and to observe the following principles:

No employee of the Principal, personally or through family members or any third person, will in connection with all stages of tendering or the execution of Contract, demand or take a promise, or accept, for him/herself or any third person, any material or immaterial benefit which he/she is not legally entitled to.

The Principal will, during the tender process, treat all Tenderers with equity and reason. The Principal will in particular, before and during the tender process, provide to all Tenderers the same information and will not provide to any Tenderer any information/clarification through which the Tenderer could obtain an advantage in relation to the tender process or the Contract execution.

The Principal will not take, directly or indirectly, any steps, which could unduly influence the functioning of IEM.

If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti corruption Laws of India/guidelines of Govt./guidelines of CVC/guidelines or Principal, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Department and in addition can initiate disciplinary actions.

If the Principal obtains information of conduct of a bidder, contractor or sub-contractor or of an employee or a representative or an associate of a bidder, contractor or sub-contractor, which constitutes corruption, or if the Principal has a substantive suspicion in this regard, the principal will inform the Vigilance Department.

**Commitments of the Tenderer/ Contractor:** The Tenderer/Contractor commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the Contract execution.

The Tenderer/Contractor will not directly or through any other person(s) or firm, offer, promise or give to the Principal, or to any of the principal's employees involved in the tender process or the execution of the Contract or to any third person any material or immaterial benefit which he/she is not legally entitled to in order to obtain, in exchange, an advantage during the tender process or to vitiate the principal's tender process or the execution of the Contract.

The Tenderer/Contractor will not enter with other Tenderers into any illegal agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contractors, submission or non-submission of bids or actions to restrict competitiveness or to vitiate the principal's tender process or the execution of the contract.

The Tenderer/Contractor will not commit any criminal offence under the relevant Anti-corruption Laws of India; further, the Tenderer/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information provided by the principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

The Tenderer/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

The Tenderer/Contractor will not take, directly or indirectly, any steps, which could unduly influence the functioning of IEM.

The Tenderer/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

### **3. Obligation to Ensure Compliance:**

Each Party will take all reasonable steps to ensure that the provisions of this Agreement which are binding on it are complied with by all of its staff, consultants, and parent and associated and subsidiary companies, agents, consortium and joint venture partners, sub-contractors and suppliers.

### **4. Equal treatment of all Bidders/Contractors/Sub-Contractors:**

The bidder/contractor undertakes to obtain from all sub-contractors a commitment consistent with this integrity pact, and to submit it to the principal at the time of seeking approval of the principal for appointment of sub-contractors.

The principal will enter into agreements with identical conditions as that of this Integrity pact, with all bidders/contractors.

### **5. Disqualification from tender process and exclusion from future contracts:**

If the Tenderer, before Contract award, has committed a transgression through a violation of any of the terms **under Clause 2.b** or any other form such as to put his

reliability or credibility as tenderer into question, the Principal is entitled to disqualify the Tenderer from the tender process or to terminate the Contract if already signed, for such reason.

- b) If the Tenderer/Contractor has committed a transgression through a violation of any of the terms under clause 2.b or in any other form such as to put his reliability or credibility into question, the principal is entitled also to exclude the Tenderer/Contractor from future Contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the Company hierarchy of the tenderer/Contractor and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and a maximum of 3 years.
- c) If the tenderer/Contractor can prove that he has restored/recouped the damage caused by him and has installed a suitable corruption prevention system, the principal may revoke the exclusion prematurely.
- d) A transgression is considered to have occurred if, in light of all available evidence, no reasonable doubt is possible.

#### **6. Compensation for Damages:**

- a) If the principal has disqualified the Tenderer from the tender process prior to the award according to clause 5 above, the Earnest Money Deposit (EMD) furnished, if any along with the offer as per the terms of the Invitation to Tender (ITT) shall be forfeited. This is apart from the disqualification of the tenderer as may be imposed by the Principal as brought out at Clause 5 above.
- b) If the principal has terminated the Contract according to Clause 5 above, or if the Principal is entitled to terminate the Contract according to Clause 5 above, the EMD/Security Deposit furnished by the Contractor, if any, as per the terms of the ITT/Contract shall be forfeited. This is apart from the disqualification of the tenderer, as may be imposed by the Principal, as brought out at Clause 5 above.

#### **7. Previous Transgression:**

- a) The Tenderer hereby declares that no previous transgressions occurred in the last 3 (three) years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India and, as such, there is no case of his exclusion from the tender process.
- b) The Tenderer hereby concedes that if he has made/makes incorrect statement in regard to this aspect, he can be disqualified from the tender process or the Contract, if already awarded, can be terminated for that reason.

#### **8. Independent External Monitor (IEM)**

- a) The principal, will appoint a competent and credible IEM for the duration of this agreement in consultation with the Central Vigilance Commission (CVC).
- b) The IEM will assess, on an independent and objective basis, the extent to which the Parties comply with their obligations under this Agreement.
- c) The parties will, after submission of a tender:
  - allow the IEM unrestricted access to all books, records and staff relevant to such tender;
  - ensure that the IEM has unrestricted access to the relevant books, records and staff of their consultants, parent and associated and subsidiary companies, agents, consortium and joint venture partners, sub-contractors and suppliers.
- d) The parties will, after the award of any Contract to them, and for the duration of the Contract.
  - allow the IEM unrestricted access to all books, records and staff relevant to the contract;
  - ensure that the IEM has unrestricted access to all books, records and staff of their consultants, parent and associated and subsidiary companies, agents, consortium and joint venture partners, sub-contractors and suppliers relevant to the contract.
- e) In the event that the IEM believes that there is Prima facie evidence that there has been a failure by a party to comply with any provision of this Agreement, the IEM will take the following actions:
 

He will include full details of such suspected non-compliance in a written report, which will be circulated simultaneously to the Chief Executives of each of the parties. The report will provide details of, all suspected or actual breaches of the provisions of this Agreement actions taken by the IEM and the parties in relation to such breaches any reports made by the IEM to criminal authorities, professional associations or other bodies.

If any such non-compliance has been carried out, or assisted by an individual who is a member of a professional association, and such non-compliance may constitute a breach of any disciplinary code of such professional associations, the IEM will report such matter to the professional association.

If any such non-compliance may constitute a criminal offence, either in the country in which the Contract is being carried out, or in the home country of the Organization or individual which carried out or assisted such non-compliance, the IEM will report such matter to the criminal authorities in those territories.
- f) Upon receipt of a report from the IEM, the Chief Executives of all the Parties will discuss and try to agree upon the appropriate action to be taken in line with Clause 5, 6 & 7 to deal with such non-compliance.

The IEM has no power to require any of the Parties to undertake any actions. No statement by the IEM, whether oral or in writing, is binding on any of the Parties. All reports and other documentation issued by the IEM can be used by any Party in legal or dispute resolution proceedings. The IEM can be called as a witness in legal or dispute resolution proceedings.

Free and/or any other incidentals including traveling/conveyance expenses, if any, payable to IEM shall be borne by the Principal.

The IEM can only be removed from his appointment, if:

1. all of the Parties agree in writing to remove him, or
2. he resigns; or
3. he is removed from his Office by order of a Court having appropriate jurisdiction.

If the IEM is removed from his appointment, the Principal will appoint another IEM as per **Clause 8.a** above for the remaining duration of this agreement.

## **9. Breaches of this Agreement:**

In the event that any party believes that there is Prima Facie evidence that there has been a failure by a Party to comply with any provision of this Agreement, such Party will take the following actions:

It will report full details of such suspected non-compliance to the IEM with copies to the Chief Executives of each of the Parties.

If any such non-compliance has been carried out, or assisted by an individual who is a member of a professional association, and such non-compliance may constitute a breach of any disciplinary code of such professional association, such Party may report such matter to the professional association.

If such non-compliance may constitute a criminal offence, either in the country in which the contract is being carried out, or in the home country of the Organization or individual which carried out or assisted such non-compliance, such Party may report such matter to the criminal authorities in those territories.

In the event that any Party breaches any provision of this Agreement, the other Parties may, in addition to the rights under this agreement, claim damages against the defaulting Party, and exercise any other rights they may have against the defaulting party.

The Parties will take appropriate disciplinary or enforcement action against any of their staff, consultants, parent and associated and subsidiary companies, agents, consortium and joint venture partners, sub-contractors and suppliers who cause or assist in any breach of any provision of this agreement.

**10. Duration of Agreement:**

- a) This agreement comes into force as soon as all the Parties have signed it. It cannot be terminated or varied except by the written agreement of all the Parties.
- b) This Agreement will expire after 12 (twelve) months from the date of the last payment under the respective Contract for the Contractor, and for all other Tenderers 6 (six) months after the award of the Contract.

**11. Other provisions:**

- a) The Principal will disqualify from the tender process Tenderer/Tenderers who does/do not sign this pact or violate its provisions.
- b) Should any occasion arise entailing IEM to undertake any investigation under the provisions of this agreement, the venue for such investigation shall generally be Bhubaneswar.
- c) This agreement is subject to Indian law. Place of performance and jurisdiction is the Corporate Office of the Principal
- d) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
- e) Address along with other relevant details of the Chief Executives of the parties are as given under:
